BULLETIN OF MATHEMATICAL BIOLOGY

A journal devoted to research at the interface
of theoretical and experimental biology

Editor
LEE A. SEGEL, The Weizmann Institute of Science, Rehovot, Israel

Publication Board Chairman
ALAN S. PERELSON, Los Alamos National Laboratory, Los Alamos, NM

Associate Editors
ROY M. ANDERSON, Imperial College, London, U.K.
J.-P. CHANGEUX, Institut Pasteur, Paris, France
PAULINE HOGEWEG, State University of Utrecht, The Netherlands
SIMON A. LEVIN, Princeton University, Princeton, NJ
DONALD LUDWIG, University of British Columbia, Vancouver, BC
HANS MEINHARDT, Max Planck Institute, Tübingen, Germany
EDUARDO MIZRAJI, Universidad de la Republica, Montevideo, Uruguay
JAMES D. MURRAY, University of Washington, Seattle, WA
FUMIO OOSAWA, Nagoya University, Nagoya, Japan
GARRETT M. ODELL, University of Washington, Seattle, WA
HANNA PARNAS, Hebrew University of Jerusalem, Israel
SHIMON ULLMAN, Weizmann Institute, Rehovot, Israel
MICHAEL S. WATERMAN, University of Southern California, Los Angeles, CA

Book Review Editor
JOHN TYSON, Virginia Polytechnic Institute, Blacksburg, VA

Co-ordinating Editor Special Issues
MARC MANGEL, University of California, Davis, CA

Production Editor
SUE BENNETT, Pergamon Press, Oxford, U.K.

Annual Subscription Rates

Annual Institutional Subscription Rates 1994: North, Central and South America US$650.00, Rest of World £420.00. Associated Personal Subscription Rates are available on request for those whose institutions are library subscribers. Sterling prices exclude VAT. Non-VAT registered customers in the European Community will be charged the appropriate VAT in addition to the price listed. Prices include postage and insurance and are subject to change without notice. Members of the Society for Mathematical Biology may order personal subscriptions at a concessional rate and details of these rates are available on request. Subscription enquiries from customers in North America should be sent to: Pergamon Press Inc., 660 White Plains Road, Tarrytown, NY 10591-5153, U.S.A., and for the remainder of the world to: Pergamon Press Ltd, Headington Hill Hall, Oxford OX3 0BW, U.K.

The *Bulletin* is the official journal of the Society for Mathematical Biology. An application form for Society membership can be found at the back of each issue.

Microform Subscriptions and Back Issues

Microform subscriptions and back issues of all previously published volumes are available direct from Pergamon Press offices.

Published in six issues per annum in January, March, May, July, September and November.
Copyright © 1993 Society for Mathematical Biology.

Second class postage paid at Rahway, NJ. Postmaster send address corrections to *Bulletin of Mathematical Biology*, c/o Pergamon Press Inc., 660 White Plains Road, Tarrytown, NY 10591-5153, U.S.A.

Whilst every effort is made by the publishers and editorial board to see that no inaccurate or misleading data, opinion or statement appear in this journal, they wish to make it clear that the data and opinions appearing in the articles and advertisements herein are the sole responsibility of the contributor or advertiser concerned. Accordingly, the publishers, the editorial board and editors and their respective employees, officers and agents accept no responsibility or liability whatsoever for the consequences of any such inaccurate or misleading data, opinion or statement.
